Status of Compliance with the Code of Practice published by the Statutory Forensic Science Regulator

Where the MG22A is being used to provide initial/interim forensic outcomes, to support an enquiry, interview or strategy, it does not require a declaration of compliance or non-compliance with the FSR Code. However, a declaration can be included where it may assist the intended recipient (e.g. investigator, commissioning party).

(Insert appropriate declaration – Refer to FSR Guidance: Declarations of Compliance and Non-Compliance with the Code of Practice FSR-GUI-0001) **DELETE CELL IF NOT REQUIRED**

To the Investigator

The forensic information contained in this report is based on the information provided at the time and initial findings and / or assessment of a crime scene and exhibit(s). It is provided to the police investigator to support a line of enquiry and / or establish if there is evidential value in proceeding with the forensic information.

Should further forensic analysis or comparison be required in this case, the investigator must contact the relevant Force Forensic Department with their requirements in accordance with standard force operating procedures.
