<b>[Information / Findings / Result / Strategy]</b>			
<p>Detailed below is a 'Fingerprint Intelligence Notification'. This is as a result of an Ident1 search where the person identified has the same surname as the victim and has not been verified. No further action will be taken, pending consultation with your relevant OCU Crime Manager or Forensic Manager.</p> <p><b>An Intelligence Notification for finger/palm marks in lift exhibit ABC/1 in the name of A.Suspect CRO / LANA / AS (Delete as necessary) number 123456/20P.'</b></p> <p>This Intelligence notification must <b>NOT</b> result in action being taken against the individual which would result in their arrest.</p> <p>However, any investigative enquiry should be made to confirm legitimate access and where there is clear intent to arrest the subject in relation to this offence, a written request must be made for the identification to be dealt with through the full verification process by emailing (Fingerprint Bureaux).</p>			
<p><b>To the Investigator</b></p> <p>The forensic information contained in this report is based on the information provided at the time and initial findings and / or assessment of a crime scene and exhibit(s). It is provided to the police investigator to support a line of enquiry and / or establish if there is evidential value in proceeding with the forensic information.</p> <p>Should further forensic analysis or comparison be required in this case, the investigator must contact the relevant Force Forensic Department with their requirements in accordance with standard force operating procedures.</p>
